SDVOSB
SBA CERTIFIED

COMPANY OVERVIEW

Trokon Smith Consulting LLC (TSC) is an SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) providing enterprise technology, financial management, professional services, mission support, logistics coordination, strategic sourcing, and printing and packaging solutions to federal customers.

EXPERIENCE AND DIFFERENTIATORS

TSC is founder-led and draws upon more than 15 years of experience supporting SAP ERP, Navy ERP, defense, aerospace, manufacturing, and financial environments. TSC’s experience includes SAP financial and logistics module support in federal and defense environments, with an emphasis on funds control, financial reporting accuracy, audit readiness, business-process improvement, and mission-critical system sustainment.

CORE CAPABILITIES

TECHNOLOGY & FINANCIAL SERVICES

- SAP FI / CO / FM / PS / MM / SCM
- Systems integration and sustainment
- Business and financial analysis
- Program management and data analytics
- Testing and production support
- Acquisition support
- Funds control and audit readiness

ACQUISITION & LOGISTICS SUPPORT

- Partner-enabled product sourcing
- Domestic and international logistics
- Vehicle and truck rental coordination
- Commercial printing and packaging
- Labeling services
- Supplier and subcontractor management
- Prime, sub, or teaming partner delivery

CONTRACTING APPROACH

Building upon this established technical and financial-management foundation, TSC provides partner-enabled product sourcing and procurement, domestic and international logistics coordination, and related commercial support services. TSC assembles and manages qualified personnel, suppliers, and subcontractors to deliver integrated solutions for technology, professional services, and logistics-enabled requirements. TSC can serve as a prime contractor, subcontractor, or teaming partner. Through accountable, founder-led contract management, TSC oversees personnel and supplier coordination, quality assurance, schedule and deliverable performance, regulatory and contractual compliance, customer communication, and overall contract outcomes.
